SEARCH LINK URL Request Form for BROKERS

Please complete, have broker sign – mail or FAX completed form to the MLS Department.
 FAX: (702) 732-3154

Search Link provides a maintenance free method of sharing listing data with participating Brokers for public display. A direct link to the MLS system updates listing information hourly. Search Link allows participating Brokers to frame an MLS search engine within their existing website, providing potential customers access to all the listings with the IDX program. Each Broker will be issued a unique URL displaying the IDX data in a searchable format. When a visitor to the website clicks on "Request for more Info" to send an e-mail, it will be sent to the owner of the website.
