Contributions are not deductible for federal income tax purposes. They are voluntary and used for political purposes. The amount indicated is merely a guideline. The Association will not favor or disadvantage anyone by reason of their contribution amount. You may refuse to contribute. Until PSF reaches NAR's RPAC goal, 30% of your PAC contribution is sent to National RPAC to support federal candidates and is charged against your limits under 2USC441a; 70% remains in state and a portion of this may be contributed to the Issues Mobilization Fund. After PSF reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates or issues. (Major donor levels may not be subject to this provision.)
